

Rocky Hill Reboot

October 8th and 9th 2022

We will have free ride, all day
October 8th and 9th 2022 to
explore the new and improved
trails!

Activities planned for October 8th:

10am to 4pm

- Specialized Ebike Demo fleet will be here
- Cycle Progression, rental fleet
- Frankenbike Frankenbike.net

There will be free beer from Smithville Sudwerks

With the back 1000 acres sold in 2021. We only had 6 plus miles remaining. Over the last year with the help of volunteers and the dedicated Rocky Hill dirt crew. We now have 14 plus miles of trails and jeep road, with more to come.

The Ranch trails have a whole new feel to them and we plan to continue to build more features and improvements as time allows
